Hi Cat,

Please find below our answers to the questions on notice:

1. How much has VicForests spent on legal costs between January 2018 and now? As noted on page 5 of the transcript; **VicForests has spent just over \$9.5m on the litigation matters from January 2018 to date, not including the FOLP (possum's case) appeal.**
2. VicForests is appealing the possums case. Can you tell us how much the appeal is costing? As noted on page 5 of the transcript; **FOLP appeal costs to date are just over \$324,150,000.**
3. if logging has occurred in those areas and it should not have, can you provide the details of that? As noted on page 10 of the transcript. **VicForests denies it has logged in any area where it should not have.**

Regards,
Anna
