

Inquiry into Homelessness in Victoria

Name: John Sharpe

Organisation:

Organisation position:

In order of priority, please rank the themes you believe are most important for this Inquiry into homelessness to consider: Public housing, Housing affordability, Employment, Mental health, Rough sleeping, Services, Indigenous people, Family violence

What best describes your interest in our Inquiry? Working in the health sector

Are there any additional themes we should consider?

Submission: I have worked with a high exposure to the general community through Christian Ministry and Student welfare in education for approx 40 years. The key issue I see now is the simple lack of adequate public housing . Short term emergency housing is rare enough but it does not solve the chronic lack of housing stock.

Do you have any additional comments or suggestions?
