Public housing,Rough sleeping,Indigenous people,Services,Family violence,Housing affordability,Mental health,Employment

What best describes your interest in our Inquiry? (select all that apply) :

Concerned citizen

Are there any additional themes we should consider?

YOUR SUBMISSION

Submission:

Why not encourage caravan parks to have more residential tenants ? Councils across Victoria have put restrictions on caravan park owners and that has resulted in far less caravan parks available for permanent residents. If you look at the statistics you will see how useful it was up until the 90s when they started restricting it. A simple law change is all that is required. Allow individual caravan park owners the right to have permanent spaces on their parks.

Do you have any additional comments or suggestions?:
