

Inquiry into Homelessness in Victoria

Name: Diannah Paramour

Organisation: The Global Peace Congress of Australia Incorporated

Organisation position: Secretary/ Public Officer

In order of priority, please rank the themes you believe are most important for this Inquiry into homelessness to consider: Rough sleeping, Mental health, Indigenous people, Family violence, Housing affordability, Public housing, Services, Employment

What best describes your interest in our Inquiry? Working with Aboriginal Victorians

Are there any additional themes we should consider? Public perceptions

Submission: Homeless people need a safe area where municipal offices have allocated a locker for each person, a key for self dignity and a place to give Centrelink to access benefits and to receive letters from home

Do you have any additional comments or suggestions? Don't give services that are not requested by the homeless people
Ask them for their input
As 50% of homeless people have a home then it's a social issue
As modern humans we seek the bonding of a tribe to live with
Its the suburban isolation that contributes to suicide
