In order of priority, please rank the themes you believe are most important for this Inquiry into homelessness to consider: Public housing, Rough sleeping, Housing affordability, Services, Employment, Indigenous people, Mental health, Family violence

What best describes your interest in our Inquiry? Other (please describe)

Are there any additional themes we should consider? yes, people like myself, older with little to no super or savings and living in some form of RV.....what is needed is to create some form of RV park - long term stays - for people like us. please investigate the Community First FB page it is an organisa

Submission:

Do you have any additional comments or suggestions? Fix the homeless situation and so many other things fall into place - health and well being , the ability for the working age people to find work, mental health, older people who have safe affordable housing are far more likely to then be able to volunteer in their communities and so on.
