What best describes your interest in our Inquiry? (select all that apply) :

Concerned citizen ,Currently or have had a lived experience of homelessness

I propose to establish a co operative aimed at inviting currently homeless and displaced people to reside in and tackle their problems within an integrated support service that is a function of the proposed co operative which over time could become self sustain and regenerating to economic activity for its personnel thus relieving the difficulty people face with homelessness as well as to broader community of the burden that people in difficulty resent.

Are there any additional themes we should consider?

Tax model incentive for government to be interested in supporting such a scheme

Motivational and educative vocation potential within a open workshop component
