No-one should be homeless in a country like this. Just build public and social housing. Absolute priority.

Are there any additional themes we should consider?

YOUR SUBMISSION

Submission:

No-one should be or needs to be homeless in Victoria. The thought that people have no roof over their heads, bed to sleep in, access to toilet and shower, is unconscionable. Further, it makes access to employment, health care and education so so much harder.

We have masses on infrastructure, all good but HOUSING SHOULD BE THE PRIORITY.
