

Submission to the Parliamentary Inquiry into Homelessness

This form was made by Council to Homeless Persons to support people who are or have been without a home to have their say in the Parliamentary Inquiry. It represents the personal views and experiences of the person filling it in. [REDACTED]

I have lived without a home or am currently without a home.

I would prefer not to leave my contact details

I give permission for another person to submit this on my behalf

I request that this submission be kept confidential

Name: Shanae Elizabeth Best

What would have ended my homelessness is:

Support workers for Mental health.
Dissability support.
more housing places and
having more propertyys.
or even help in cutting my
black listing Removed because
it was made during a family
violence issue.

I might have avoided homelessness if the Government provided:

More Houses.
laws in people with children
being able to get Houses
privately even with a blacklist.
because me being Homeless
means I am away from
my Sons.

What would you like to tell the Government about being without a home:

It sucks, im falling through
the gaps of a flawed
System, Am facing Jail
Sentence due to driving
in Car because thats
my home but I dont have
a licence.
I want to have a home for my
children.

Thank you for taking the time to have you say to the Parliamentary Inquiry into Homelessness. This submission can be emailed to homelessnessinquiry@parliament.vic.gov.au or posted to:
