

## Submission to the Parliamentary Inquiry into Homelessness

This form was made by Council to Homeless Persons to support people who are or have been without a home to have their say in the Parliamentary Inquiry. It represents the personal views and experiences of the person filling it in. [REDACTED]

I have lived without a home or am currently without a home.

I would prefer not to leave my contact details

I give permission for another person to submit this on my behalf

I request that this submission be kept confidential

Name: Jaunta Heffeman  
[REDACTED]

What would have ended my homelessness is:

have accomodation for low income earners  
have support, from services  
also raise the support for housing kids  
in DHHS care.

I might have avoided homelessness if the Government provided:

More assistance  
raise the DHTS age

What would you like to tell the Government about being without a home:

I have lived on the streets  
most of my life since I  
was 19 it is horrible.
