Your position or role:

SURVEY QUESTIONS

Drag the statements below to reorder them. In order of priority, please rank the themes you believe are most important for this inquiry into homelessness to consider::

Services,Rough sleeping,Housing affordability,Public housing,Mental health,Indigenous people,Family violence,Employment

What best describes your interest in our Inquiry? (select all that apply) :

An advocacy body ,Currently or have had a lived experience of homelessness

Are there any additional themes we should consider?

Education pathways to employment.

If a person has a passion/interest that can be transferred into sustainable work. Often people struggle with the demands regarding studies let alone someone who has otherwise stress factors such a Homelessness, Mental Health issues, Poverty etc.

If there were services to support the individuals through educational studies I believe this will have a more long term benefit than simple employment.

Reconnecting people back into their greater community.
