### YOUR SUBMISSION

**Submission:**

To Whom it concerns,

I believe that Australia needs a public register of convicted sex offenders. Daniel's Law is an important step in the right direction, I am writing to show my support and hope that this will be brought in. I think it is an important issue in our community to be able to identify who may be a danger to our children in our communities. I think that many of us would feel more strongly about this issue if we had the experience of people like the Morcombe's.

Kind Regards

Lara Cachia
