YOUR SUBMISSION

Submission:

It's safer than alcohol and tobacco by a country mile.

As a former recreational user in California I seldom used alcohol or tobacco- upon arriving in Australia I have stopped using marijuana but have taken to the habit of regular consumption of alcohol.

Additionally I believe marijuana actually helps de escalate family violence- where alcohol escalates it.

Do you have any additional comments or suggestions?:

Hemp industry in Canada is 15x larger than Australia, food, fibre and fuel- hemp can save our economy

Save families, save lives and minimise the harm that alcohol does to our society.
