### YOUR SUBMISSION

**Submission:**

Cannabis when consumed correctly with proper education is less harmful than both alcohol and tobacco.

The benefit to the economy would be immense if taxes could be applied to cannabis.

Take the power off the criminal organisations who are profiting from selling inconsistent and sometimes harmful products. The money they make does not go back into helping out members of the public, instead it perpetuates more criminal activity.

**Do you have any additional comments or suggestions?:**

Legalise cannabis for recreational use, tax it and allow people to grow their own as well.
