**Are there any additional themes we should consider?**

**Select all that apply. Do you think there should be restrictions on the use of cannabis? :**

Personal use of cannabis should be decriminalised.

(Decriminalised: there are no criminal or civil penalties instead a person is referred to a drug diversion program or other health/ treatment service),Personal use of cannabis should be legal. ,Sale of cannabis should be legal and regulated. ,Cultivation of cannabis for personal use should be legal.,There should be no restrictions. ,Other – please explain.

There should be education on healthy usage

### YOUR SUBMISSION

**Submission:**

We should be educating current and younger generation and what the effects are of ANY drugs rather than abstinence. Treating cannabis use like sex, we cant tell kids not to have sex so it is more productive to educate them on how it works and put systems in place to assist safe use.

**Do you have any additional comments or suggestions?:**
