**What best describes your interest in our Inquiry? (select all that apply) :**

Individual

**Are there any additional themes we should consider?**

**Select all that apply. Do you think there should be restrictions on the use of cannabis? :**

Personal use of cannabis should be decriminalised.

(Decriminalised: there are no criminal or civil penalties instead a person is referred to a drug diversion program or other health/ treatment service),Personal use of cannabis should be legal. ,Sale of cannabis should be legal and regulated. ,Cultivation of cannabis for personal use should be legal.,There should be no restrictions.

### YOUR SUBMISSION

**Submission:**

I have recently undergone chemotherapy for Hodgkin's Lymphoma. This involved four cycles of strong chemotherapy. I used cannabis to offset the negative affects of chemotherapy steroids and the associated nausea and disrupted sleep patterns. I had to procure cannabis from the black market.

I urge the government to make cannabis legal in the state of Victoria. This will likely lead to greater public health outcomes with increased education.
