YOUR SUBMISSION

Submission:

I am a cannabis user and a teetotaler. I use cannabis for relaxation and to enhance my appetite as I had a gastrectomy 10 years ago. I do not see that cannabis users should be discriminated against. Cannabis is a more socially benevolent substance than alcohol. By banning cannabis it becomes the business of criminals, and this leads to further drug problems. If cannabis was freely available it would take it out of the realm of criminal activity.
