YOUR SUBMISSION

Submission:

I am personal cannabis user that smokes to unwind on the weekend. While I accept this may not be the case for all, I don't find my cannabis use has any negative affects on my health, mental health or motivation. When playing local football I will choose to smoke cannabis the night before the game rather than drink as it won't affect my performance the next day. I find the fact I have to go through and fund criminals to acquire cannabis I find abhorrent. The tax revenue that could be generated as well as the jobs created through a legal cannabis industry in Victoria would be huge. A legal cannabis industry is the exact sort of thing we should.be doing to kick start our economy and lead us out of recession. Thank you
