Use of cannabis should remain legal for medical treatment only. ,Personal use of cannabis should be legal.
,Sale of cannabis should be legal and regulated. ,Cultivation of cannabis for personal use should be legal.,There should be no restrictions.

YOUR SUBMISSION

Submission:

Hemp party member I sometimes have a problem with pacing and when I smoke cannabis the urge to pace stops instantly. There needs to be legislation change that military police replace all soldiers and instead of a soldier that murders military police arrest charge take to court imprison terrorist marijuana legal for personal growing medicinal and recreational use. I think that there needs to be scientific research into the health benefits of meditation. I think that there needs to be scientific research on every plant and breeding to create new plants same with animals and any other scientific study

Do you have any additional comments or suggestions?:

Fill up the prison with terrorist not pot heads
