Are there any additional themes we should consider?

Select all that apply. Do you think there should be restrictions on the use of cannabis? :

Use of cannabis should remain legal for medical treatment only. ,Personal use of cannabis should be decriminalised.

(Decriminalised: there are no criminal or civil penalties instead a person is referred to a drug diversion program or other health/ treatment service), Personal use of cannabis should be legal. ,Sale of cannabis should be legal and regulated. ,Cultivation of cannabis for personal use should be legal.

YOUR SUBMISSION

Submission:

I occasionally use cannabis recreationally..maybe once a message month.. I have a good time and hurt no-one..

I have understand that the are some legitimate health concerns with cannabis for some users..both from a smoking and mental health point of view.. but I do not believe that it being illegal helps address these issues at all.

Do you have any additional comments or suggestions?:
