### YOUR SUBMISSION

**Submission:**

Since gaining access to medical cannabis flower, I have been able to reduce my opiate painkillers by 80% and have been able to come off SNRI drug as well.

Honestly, cannabis has saved my life and health.

Victoria needs to be a world leader in this market and should consider legalisation and also for people to grow a small amount at home like the ACT.

Feel free to contact me for further information regarding my success so far using medical cannabis.
