### YOUR SUBMISSION

If cannabis were legalized, governments would be able to tax its sale. as 40 percent of adults have admitted to using cannabis, this would create economic growth. furthermore, if the distribution and sale of cannabis were legalized, safe, regulated consumption would be ensured.

The use of cannabis poses no significant threat to public health and safety, and far less risks than alcohol and tobacco, which are legal and therefore regulated.

**Do you have any additional comments or suggestions?:**

**Select all that apply.**

**Do you think there should there be restrictions on the use of cannabis? :**

Personal use of cannabis should be decriminalised.

(Decriminalised: there are no criminal or civil penalties instead a person is referred to a drug diversion program or other health/ treatment service), Personal use of cannabis should be legal. Sale of cannabis should be legal and regulated. Cultivation of cannabis for personal use should be legal.
