Individual

**Are there any additional themes we should consider?**

### YOUR SUBMISSION

I'm aware of the benefits that moderate consumption of cannabis brought to me in the past, and I'd love for cannabis medical and social studies to be possible and relevant.

To my eyes comparing alcohol to cannabis is only logical and fair.

I'd really like a serious and open dialogue about the pros and cons and like to have a chance to buy legally and, more than anything else, safely.

**Do you have any additional comments or suggestions?:**

**Select all that apply.**

**Do you think there should there be restrictions on the use of cannabis? :**

Personal use of cannabis should be legal. Sale of cannabis should be legal and regulated. Cultivation of cannabis for personal use should be legal.
