**What best describes your interest in our Inquiry? (select all that apply) :**

Individual

**Are there any additional themes we should consider?**

### YOUR SUBMISSION

The legalisation of cannabis would remove important income from criminals and allow the money to be taxed and for pressure to be lifted from multiple areas of law enforcement and judicial proceedings making the funds available elsewhere. Legalisation will also allow for children to be denied access to the product, legalisation will also change the stigma around marijuana usage and will be a catalyst and a starting point to open the discussion about the use of drugs in our broadest society.

**Do you have any additional comments or suggestions?:**

**Select all that apply.**

**Do you think there should be restrictions on the use of cannabis? :**

Personal use of cannabis should be legal. Sale of cannabis should be legal and regulated. Cultivation of cannabis for personal use should be legal. There should be no restrictions.
