Are there any additional themes we should consider?

YOUR SUBMISSION

Would be another massive revenue stream for the government and would take money away from criminals, has worked out great in Colorado (USA) and the government needs the money right now due to COVID-19.

Majority of Australians are already in favour of its legislation and it is just a vocal minority that oppose it.

It's only a matter of time before it is legalised and what better time than right now when the economy is struggling.

Do you think there should there be restrictions on the use of cannabis? :

Personal use of cannabis should be decriminalised.

(Decriminalised: there are no criminal or civil penalties instead a person is referred to a drug diversion program or other health/ treatment service), Personal use of cannabis should be legal. Sale of cannabis should be legal and regulated. Cultivation of cannabis for personal use should be legal.
