### YOUR SUBMISSION

Criminal activity associated with Cannabis use is solely in the form of the illegal drug trade. Growers, distributors, dealers and buyers are engaging in criminal activity. If the sale and distribution of cannabis was regulated and controlled, the market for illegal cannabis would be out-competed by the trustworthiness and ease-of-access of legal cannabis, and all criminal activities related to cannabis would effectively cease.

**Do you think there should be restrictions on the use of cannabis? :**

Personal use of cannabis should be decriminalised.

(Decriminalised: there are no criminal or civil penalties instead a person is referred to a drug diversion program or other health/ treatment service), Personal use of cannabis should be legal. Sale of cannabis should be legal and regulated. Cultivation of cannabis for personal use should be legal.
