**What best describes your interest in our Inquiry? (select all that apply) :**

Individual, Academic and research

**Are there any additional themes we should consider?**

### YOUR SUBMISSION

I believe there is more than enough research to show the benefits of cannabis. People should not feel stigma for wanting to access this for personal reasons (for myself this is pain and nausea due to stomach cancer). There are less risks associated to this in comparison to other pain medications.

**Do you have any additional comments or suggestions?:**

**Select all that apply.**

**Do you think there should be restrictions on the use of cannabis? :**

Personal use of cannabis should be legal. Cultivation of cannabis for personal use should be legal. There should be no restrictions.
