Individual

Are there any additional themes we should consider?

YOUR SUBMISSION

I was diagnosed with PTSD quite some time ago. I was prescribed medicinal cannabis to treat this disorder. It worked well and I was able to cut down many other medications. I could not continue with the treatment due to the fact it was cost prohibitive. My background is in law enforcement. I was a member of VicPol for 24 years.

Do you have any additional comments or suggestions?:

Select all that apply.

Do you think there should there be restrictions on the use of cannabis? :

Personal use of cannabis should be legal. Sale of cannabis should be legal and regulated. Cultivation of cannabis for personal use should be legal.
