Individual

**Are there any additional themes we should consider?**

### YOUR SUBMISSION

Many advanced countries throughout the world have proven that the personal use of cannabis has benefited the physical and mental health of the population, reduced the criminal element in drug enforcement increased tax revenue to government and reduced costs to the health system.

It is significantly past time that Victoria recognise the progress of these countries and immediately adopt the best of these methods of legislation.

**Do you have any additional comments or suggestions?:**

**Select all that apply.**

**Do you think there should there be restrictions on the use of cannabis? :**

Personal use of cannabis should be legal. Sale of cannabis should be legal and regulated. Cultivation of cannabis for personal use should be legal.
