why is alcohol legal? when people drink they often need to be locked up because of how they act under in influence! weed (marijuana) makes people happy hungry and tired not angry violent and liver problems. if im in the streets high on weed next to my mate who is drunk the police arw going to lock up my mate for public intoxication. if i don't tell them im high they wont see any reason to lock me up because im being quite and respectful of others not like drunks!!!

Do you have any additional comments or suggestions?:
