Select all that apply. Do you think there should be restrictions on the use of cannabis? :

Personal use of cannabis should be legal. ,Sale of cannabis should be legal and regulated. ,Cultivation of cannabis for personal use should be legal.

YOUR SUBMISSION

Submission:

Marijuana has multitudes of medicinal benefits that should not got unutilised, while also posing much less harm to the body than alcohol or tobacco, both physically and mentally. Additionally, legal regulation of marijuana ensures safe products are regulated and distributed, taking money out of drug rings and organisations, while producing large numbers of jobs (especially important with covid recession settling in) generating large inflows of cash for the states and government.
