Mental health, Education, Accessing and using cannabis, Public health, Social impacts, Young people and children, Public safety, Criminal activity

**What best describes your interest in our Inquiry? (select all that apply) :**

Individual

**Are there any additional themes we should consider?**

Legalisation

**Select all that apply. Do you think there should be restrictions on the use of cannabis? :**

Personal use of cannabis should be legal. ,Sale of cannabis should be legal and regulated. ,Cultivation of cannabis for personal use should be legal.,Other – please explain.

Taxes should be put back into the system to help those that need it. ie: Those with mental health problems.

### YOUR SUBMISSION

**Submission:**

**Do you have any additional comments or suggestions?:**

I believe that people who use this drug illicitly to self treat mental health problems would benefit more from help, rather than persecution. The taxes from recreational users can be used to help fund programs, facilities and workers for people who use cannabis for those with mental health problems.

Alcohol and smoking causes far more trauma than cannabis.

This would need to be as regulated as alcohol.
