**Are there any additional themes we should consider?**

**Select all that apply. Do you think there should be restrictions on the use of cannabis? :**

Personal use of cannabis should be decriminalised.

(Decriminalised: there are no criminal or civil penalties instead a person is referred to a drug diversion program or other health/ treatment service), Personal use of cannabis should be legal. , Sale of cannabis should be legal and regulated. , Cultivation of cannabis for personal use should be legal.

### YOUR SUBMISSION

**Submission:**

The use of cannabis should be legal, for both health and recreational use, however it should be regulated in a safe manner to restrict access to young people and individuals who have an unhealthy relationship with the drug, just like alcohol regulation. Cannabis use is not harmful when done correctly, and can procure more benefits than negatives in the grand scheme of things.
