Individual

Are there any additional themes we should consider?

Select all that apply. Do you think there should be restrictions on the use of cannabis? :

Personal use of cannabis should be decriminalised.

(Decriminalised: there are no criminal or civil penalties instead a person is referred to a drug diversion program or other health/ treatment service), Personal use of cannabis should be legal. , Cultivation of cannabis for personal use should be legal., There should be no restrictions.

YOUR SUBMISSION

Submission:

In my experience over 60 years, I have found the use of cannabis to be relatively innocuous and generally harmless, if not beneficial in some cases.

Criminal sanctions have only created corruption within the justice system and an unnecessary waste of policing and judicial resources, resources that could be better spent on other, more important areas..
