**Select all that apply. Do you think there should be restrictions on the use of cannabis? :**

Personal use of cannabis should be decriminalised.

(Decriminalised: there are no criminal or civil penalties instead a person is referred to a drug diversion program or other health/ treatment service),Personal use of cannabis should be legal. ,Sale of cannabis should be legal and regulated. ,Cultivation of cannabis for personal use should be legal.

### YOUR SUBMISSION

**Submission:**

Further education, regulation, and conversation surrounding the use of marijuana both medically and recreationally will allow us to have a better understanding of the positive and negative outcomes of the substance. Arbitrary criminalisation clogs our judicial system, with many suffering from the classification of a relatively harmless substance.

Further exploration of the role of cannabis in medicinal use would also be more easily funded, and operated.
