What best describes your interest in our Inquiry? (select all that apply) :

Individual, Academic and research, Advocacy body, Working in the health sector

Are there any additional themes we should consider?

Select all that apply. Do you think there should be restrictions on the use of cannabis? :

Personal use of cannabis should be decriminalised.

(Decriminalised: there are no criminal or civil penalties instead a person is referred to a drug diversion program or other health/ treatment service), Personal use of cannabis should be legal. , Sale of cannabis should be legal and regulated. , Cultivation of cannabis for personal use should be legal.

YOUR SUBMISSION

Submission:

I simply believe that the personal use of cannabis should be decriminalised, and ideally, totally legalised. It should be regulated, and available from certified growers/sellers, with plenty of health information for the buyer, as well as information about the dosage, safety, etc. I believe a lot of crimes related to cannabis possession and selling would lessen, and the government could make a decent amount of money from placing a tax on this product
