What best describes your interest in our Inquiry? (select all that apply) :

Individual

Are there any additional themes we should consider?

Medicinal Access

Select all that apply. Do you think there should be restrictions on the use of cannabis? :

Personal use of cannabis should be decriminalised.

(Decriminalised: there are no criminal or civil penalties instead a person is referred to a drug diversion program or other health/ treatment service), Personal use of cannabis should be legal. , Sale of cannabis should be legal and regulated. , Cultivation of cannabis for personal use should be legal.

YOUR SUBMISSION

Submission:

It's time to overturn archaic laws rooted in misinformation and outdated views. While not a marijuana user myself, I acknowledge the international move towards legalisation as having a net positive influence on society and judicial systems. It's time that people who can benefit from the mental and physical properties of marijuana are allowed to access that without going to the black market or jumping through a ridiculous set of hoops.
