YOUR SUBMISSION

Cannabis and it's products are as or less harmful than alcohol, and it has positive academic studies in its potential medicinal benefits. Its use is already widespread because it is relatively harmless, and unfortunat-ly becomes a gateway towards more dangerous drugs as people become sceptical of what the government labels as harmful.

Do you think there should there be restrictions on the use of cannabis? :

Personal use of cannabis should be decriminalised.

(Decriminalised: there are no criminal or civil penalties instead a person is referred to a drug diversion program or other health/ treatment service), Personal use of cannabis should be legal. Sale of cannabis should be legal and regulated. Cultivation of cannabis for personal use should be legal.
