Are there any additional themes we should consider?

Select all that apply. Do you think there should be restrictions on the use of cannabis? :

Use of cannabis should remain legal for medical treatment only. , Personal use of cannabis should be decriminalised.

(Decriminalised: there are no criminal or civil penalties instead a person is referred to a drug diversion program or other health/ treatment service), Personal use of cannabis should be legal. , Sale of cannabis should be legal and regulated. , Cultivation of cannabis for personal use should be legal.

YOUR SUBMISSION

Submission:

Hi,

I work a professional job and am a casual cannabis user. I find it more relaxing, calming and it's impacts much more positive than the use of alcohol (I barely drink).

I firmly believe the legalization and education around it's uses could see a pendulum shift off alcohol and more towards cannabis - which would prove to be safer, lower home violence and improve mental health in communities.
