Individual

Are there any additional themes we should consider?

Select all that apply. Do you think there should be restrictions on the use of cannabis? :

Personal use of cannabis should be decriminalised.

(Decriminalised: there are no criminal or civil penalties instead a person is referred to a drug diversion program or other health/ treatment service), Personal use of cannabis should be legal. , Sale of cannabis should be legal and regulated. , Cultivation of cannabis for personal use should be legal. , There should be no restrictions.

YOUR SUBMISSION

Submission:

I have been suffering from Major Depressive Disorder for many years and use in to help me with social anxiety and sleeping. I do not think Cannabis is for everyone however I think it can do some people some good as long as it doesn't lead to an unhealthy addiction which. If it were legal it would be easier for people to seek help and also be able to know what exactly it is that they are ingesting
