Are there any additional themes we should consider?

Select all that apply. Do you think there should be restrictions on the use of cannabis? :

Personal use of cannabis should be decriminalised.

(Decriminalised: there are no criminal or civil penalties instead a person is referred to a drug diversion program or other health/ treatment service),Personal use of cannabis should be legal. ,Sale of cannabis should be legal and regulated. ,Cultivation of cannabis for personal use should be legal.

YOUR SUBMISSION

Submission:

There is growing evidence that cannabis use has benefits for both physical and mental health, with recent studies showing that CBT in particular stops proliferation of cancer cells in a range of different types of cancers.

The benefits of cannabis use on creativity, mood and in lowering rates of depression are also evidenced by recent studies.
