**Do you have any additional comments or suggestions?:**

This plant is medicine and has been for millennia! God created all plants for us to benefit from! People should not be considered criminals for using and should be allowed to take a herbal remedy that is safe, as no one has overdosed & died from Cannabis alone! It's safer than alcohol and Some prescription medications! As pain killer study's and research has gone nowhere in the last 4-5 decades, there has to be a better way?
