YOUR SUBMISSION

Submission:

I come from a large family, a small portion of which abuse cannabis. People will never stop turning to outlets like cannabis. I am of the opinion that if everyone were educated truthfully, if there were good support systems in place, and if cannabis were available to buy from a regulated retailer, a lot of the problems in low socioeconomic areas would lessen. Better yet, if there were a good support system available, there would be less abuse. Also, no more need for dodgy drug dealers, and we all get to benefit from the extra tax revenue.
