Ref:- Inquiry into the 2014 Victorian State Election.

Dear Louise Asher MP,

Thank you for the invitation 29th May 2015, to make a submission regarding the conduct of the 2014 Victorian State Election.

I stood as an Independent candidate for the seat of Nepean and was nobbled by the staff at the ABC, by their conduct in relation to letters I sent to them, regarding my advertising on the ABC election web site, similar to what had been done by the Labor Party.

I have attached to this email a letter which I sent to the ABC, complaining about my treatment and in reply I received a letter, which amounted to "Stone Walling" by the ABC administration, acting in a bullying manner towards me.

I believe this matter should be further examined as it supports the claims made by Tony Abbott PM regarding the ABC staff and their bias against certain political parties.

I look forward to your further action in relation to this matter, if you are genuine in your attempt to improve the electoral system in Victoria.

Sincerely,

David J. Stanton
