Dear Sir/Madam,

Re: PARLIAMENTARY INQUIRY INTO THE FUNCTIONS AND ADMINISTRATION OF VOTING CENTRES (INCLUDING JOINT VOTING CENTRES) GIVING CONSIDERATION TO ISSUES OF LOCATION, ACCESSIBILITY, PARTICIPATION AND TRANSPARENCY

My concerns relate to the accessibility of toilets at polling booths for election workers, in particular those handing out. It has been my experience in the Mildura electorate that toilet facilities are not always available, in particular at the smaller booths which are located in school grounds the external toilets are locked.

A lesser issue has been access to toilets located within polling booths that require workers to remove all advertising materials before usage. Sometimes this has it's difficulties.
