Executive Officer

Victorian Parliament Law Reform Committee.

Dear Sir / Madam;

Re your advertisement in
the Herald Sun Newspaper regarding the Inquiry
into Powers of Attorney.

I would like to suggest that it be made
possible for parents or family of a very
disabled person who has no speech & great
difficulty, in fact impossible, for strangers to
understand the person, to be given Power of
Attorney for this type of disabled person.

That is of course, ^{that} these parents have proved
to have cared well for such a person, and
Siblings have always been close & caring.

Yours Sincerely
Shirley Logan.
