Subject Powers of attorney.

History: This message has been replied to.

Hi – some thoughts on the review into Power's of attorney. I am a Social Worker at Wimmera Health Care Group and the types of Power of Attorney I have seen abused have been financial. I would like to see a central registration and mandatory financial returns each year (who would do this I don't know). Also who do we report to if we know the Power of Attorney is being abused (e.g. non payment of residential care fees)?  
Regards Shirley Glover.
