Date: Monday, 18 November 2019 10:19:53 PM

Inquiry Name: Inquiry into anti-vilification protections

Mr Umar Bin Amin
[REDACTED]
[REDACTED]

SUBMISSION CONTENT:

--

Racial vilification is cancerous. By allowing racial vilification no work place is safe. It is harmful for both physical and mental health. If we allow racial vilification there may be more unemployment and exclusion from the society. As the recent studies already shows that Muslims can be Six times excluded from the society.

<http://journal.uinjkt.ac.id/index.php/tarbiya/article/view/3485>. . Their are strong chances that this gap will only increase after word. Therefore this protection is must.
