

2011-12 Public Accounts and Estimates Committee
Minister for Manufacturing Exports & Trade
Minister for Employment and Industrial Relations

Victoria's share of national merchandise exports

Victoria's share of national exports of goods and services

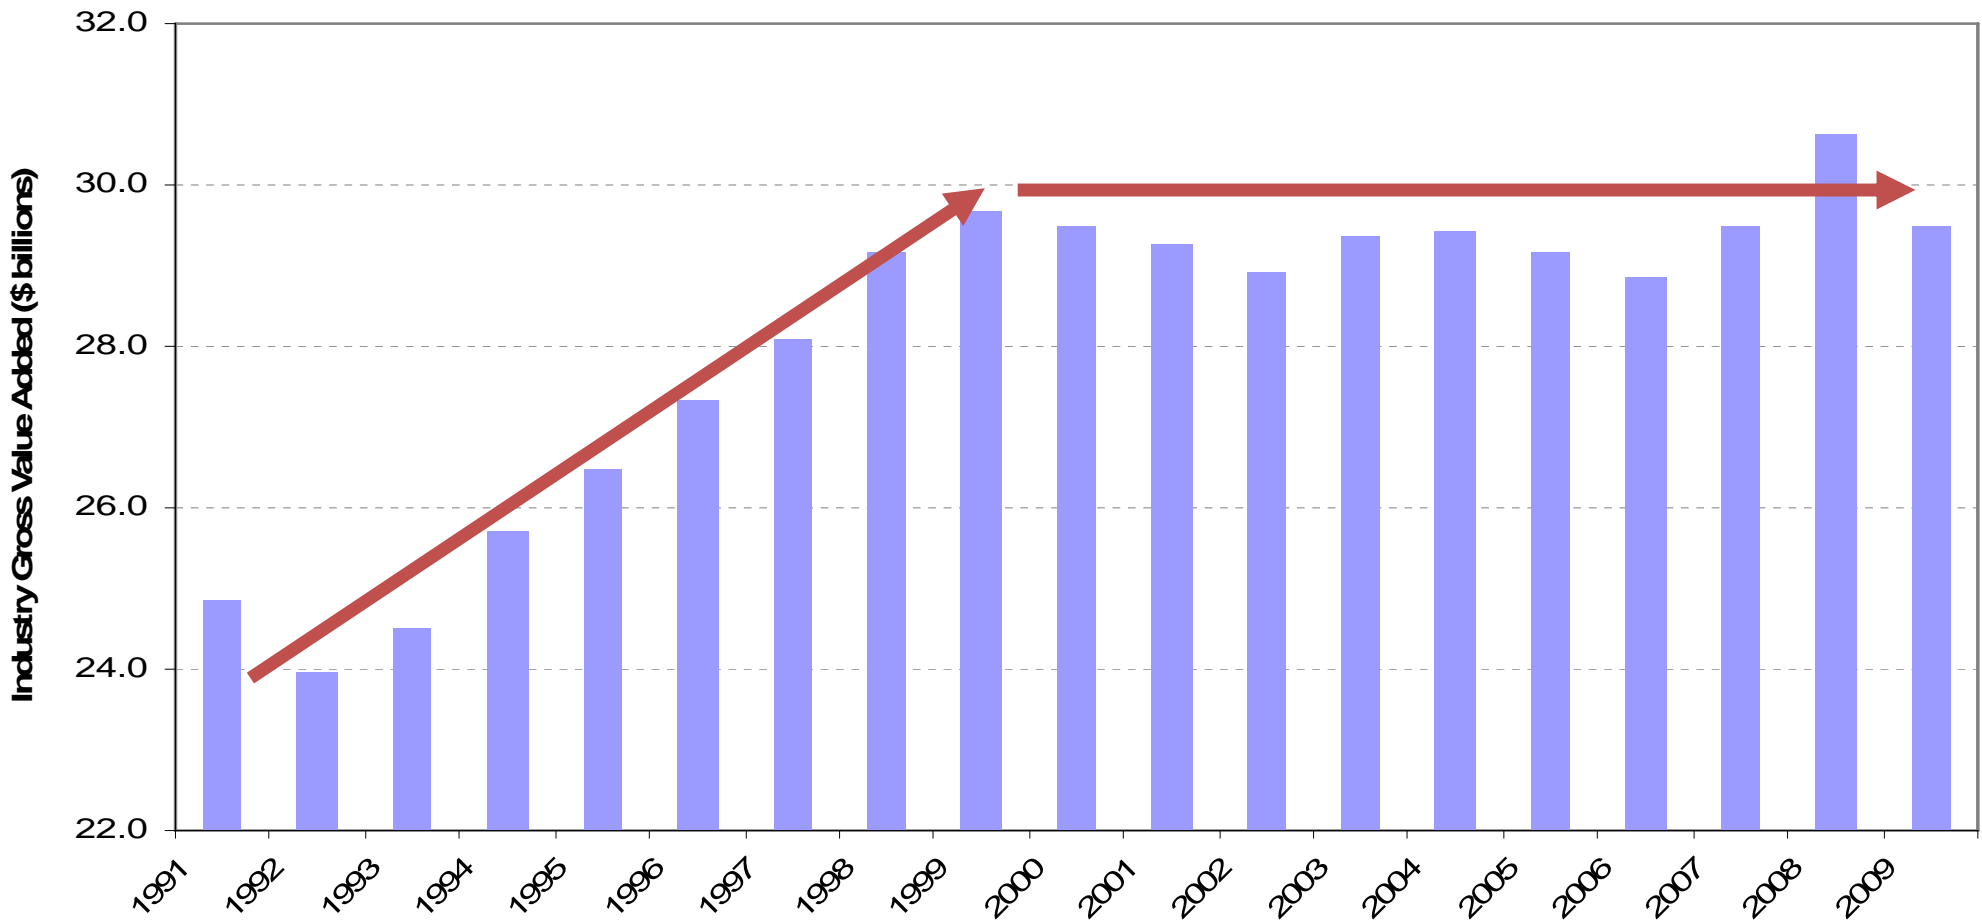

Victorian exports, where next...

New Victoria Export Strategy to be delivered:

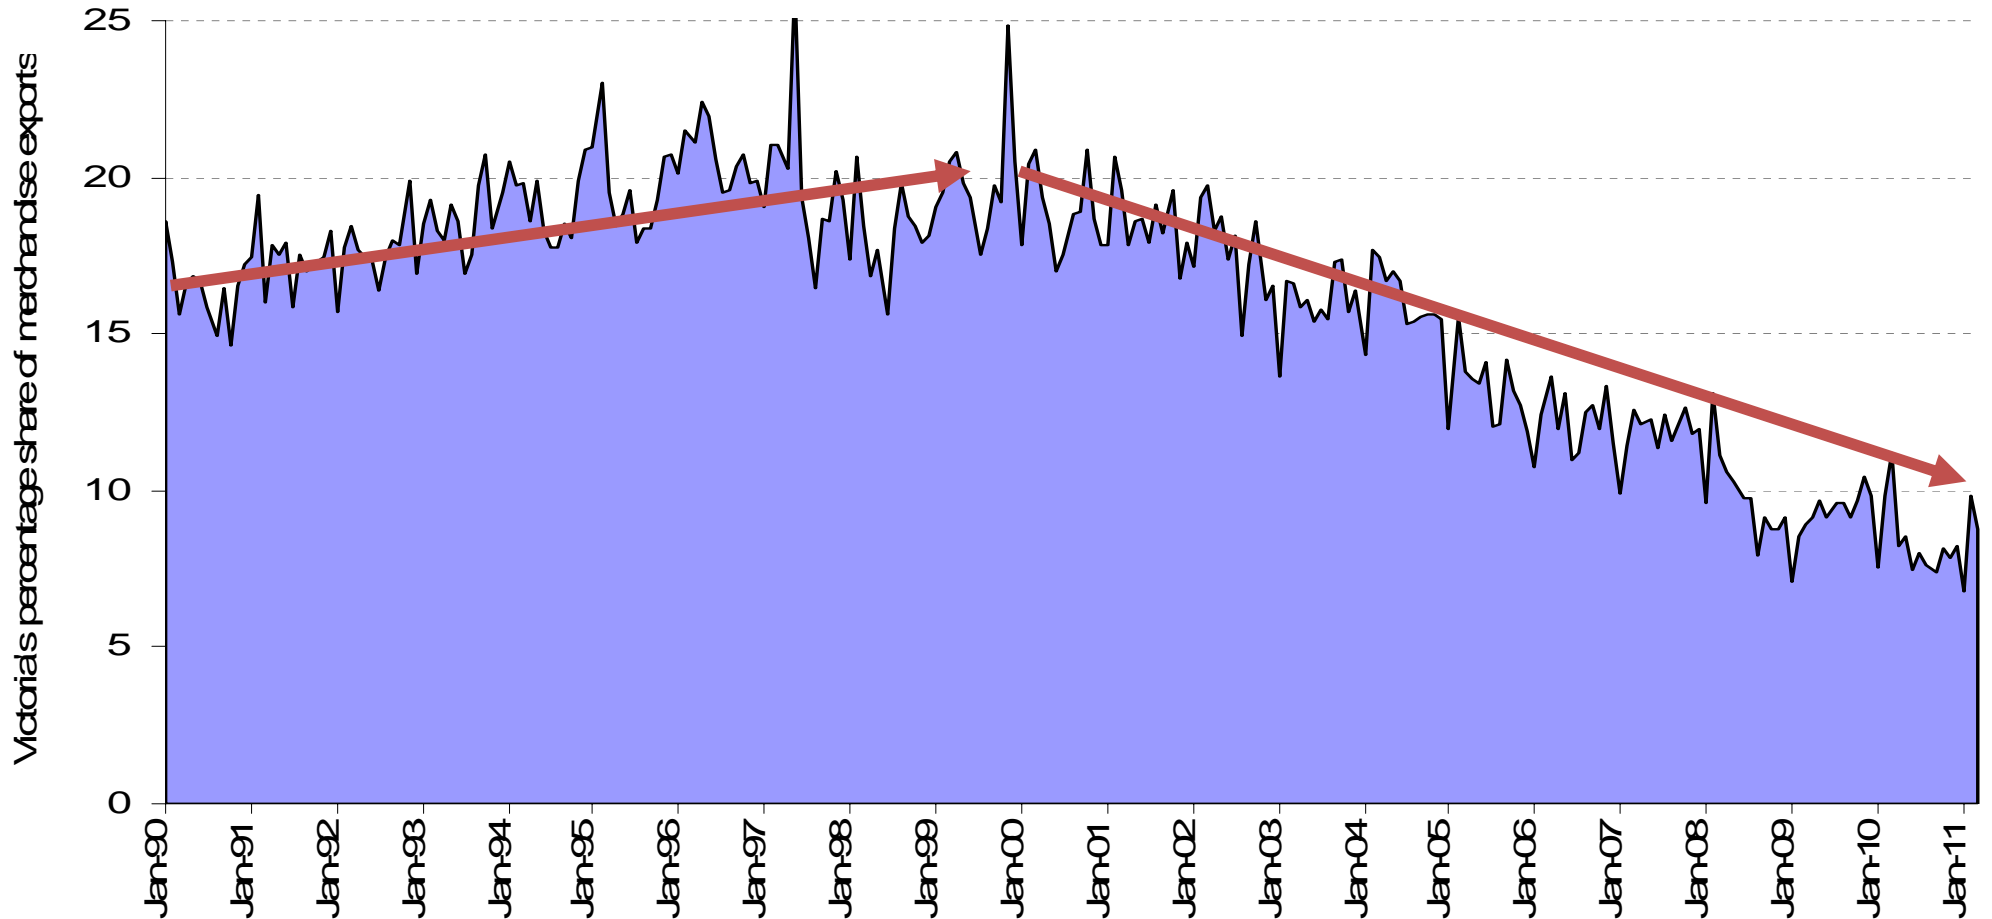

- **\$12.4 million commitment to boost exports**
- **Trade Engagement Program - India**
- **Trade Missions Program**
- **Export promotion at World Expos (South Korea and Italy)**
- **Export Seminars and Support - AUD and FTA**
- **Export Roundtables**

Manufacturing growth has been flat over the last decade

Victoria's share of national merchandise exports

Victorian Government commitments to revitalise manufacturing include:

- A dedicated Minister for Manufacturing
- A review of manufacturing strategy currently being undertaken by VCEC to recommend a forward looking manufacturing strategy
- Support Geelong Manufacturing Council to develop links with Deakin University
- Establish a new approach to coordinated government procurement
- Purchase 40 new six-carriage suburban trains to create new jobs and support to local suppliers
- Industry Capability Network to sharpen focus on import replacement
- Better identify opportunities for local defence industry
- Refocusing of Manufacturing Industry Advisory Council
- Streamline grants and assistance to improve access for manufacturers
- Establishment of textile and clothing precinct
