(Pages 22-23 of the Premier's portfolio transcript)

RESPONSE:

Board members are not employees under the *Public Administration Act 2004* and are not subject to the Commonwealth Fair Work regime. Governor in Council generally appoints board members and the removal of board members is determined by the appointment instrument. Under the instruments of appointment members are not entitled to payments upon resignation. As such, no payments were made to any board members as a result of their departure.

To ensure the injection of fresh ideas on boards, regular turnover of members is an important consideration. It is balanced against other considerations such as the need for continuity and the need to retain a proportion of members with experience.

It is inappropriate to comment on individual resignations and terminations due to privacy and confidentiality restrictions.

Q3. *Please indicate how much has been paid to board members of the Linking Melbourne Authority since the abolition of the authority.*

(Page 32 of the Premier's portfolio transcript)

RESPONSE:

The six board members were paid a total of \$101,573.82 for the period commencing on the date of the Acting Minister for Roads' announcement that the Linking Melbourne Authority would be disbanded (7 January 2015) and ending on the date of the Premier's appearance at PAEC (8 May 2015).
