

PARLIAMENT OF VICTORIA
Public Accounts and Estimates Committee

MEDIA RELEASE

Budget Estimates hearings commence Thursday

Public hearings for the Victorian Government's 2021-22 budget estimates will start this week.

The Public Accounts and Estimates Committee's annual inquiry will be [live broadcast](#) from 8:30 am Thursday 27 May.

The Treasurer, Acting Premier and Government Ministers will all appear before the joint investigatory committee, which will hold hearings until Friday 4 June.

"Each year the Public Accounts and Estimates Committee examines the State Government's spending and revenue raising plans set out in the State Budget," Committee Chair Lizzie Blandthorn said.

"These hearings provide the Committee with the opportunity to question Ministers and departmental representatives on their plans for the year ahead."

The public hearings will return to the Legislative Council Committee Room at Parliament House, after being relocated to Queen's Hall for the first time in 2020, due to the COVID-19 pandemic.

The [full schedule](#) for the hearings is available from the Committee's website.
